

ADJUSTABLE LIFTING BEAM

BFI2 SERIES

WINKLE

OFF-CENTER LOAD HANDLING

It excels at lifting off-center loads, making complex lifting tasks more manageable and efficient.

HEIGHT-LIMITED SPACES

This beam proves to be an ideal choice when working in areas with limited vertical clearance

VARIED CAPACITIES

It comes in a standard capacity range of 5 to 150 tons, but if you require even higher capacities, custom options are available upon request.

ADJUSTABLE LENGTH

Its flexibility shines as it can be easily adjusted to accommodate different lengths, ensuring versatility in various applications.

ATTACHMENT OPTIONS

Designed primarily for shackle-type attachments, it's also adaptable for swivel hooks, allowing you to tailor it to your specific needs.
